

# GFL Environmental / Acadia

# Thank you!

- ▶ First off, Thank you so much for being partners with GFL Environmental. We've enjoyed our time servicing the Acadia Community and look forward to many more years together!

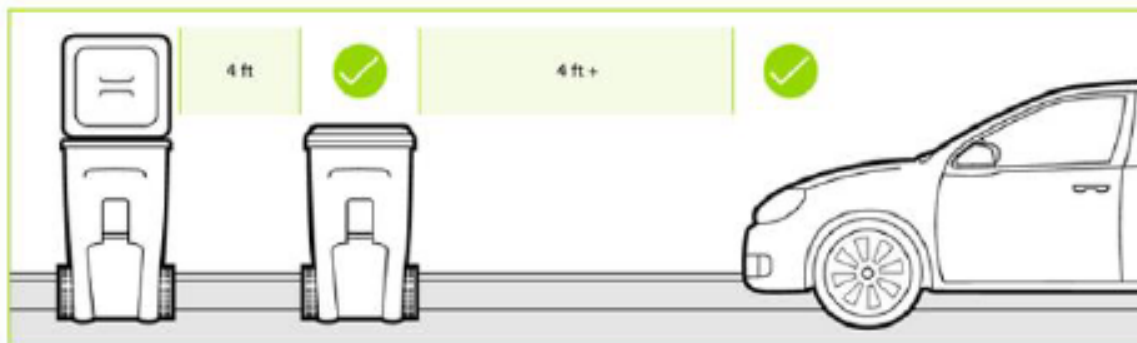

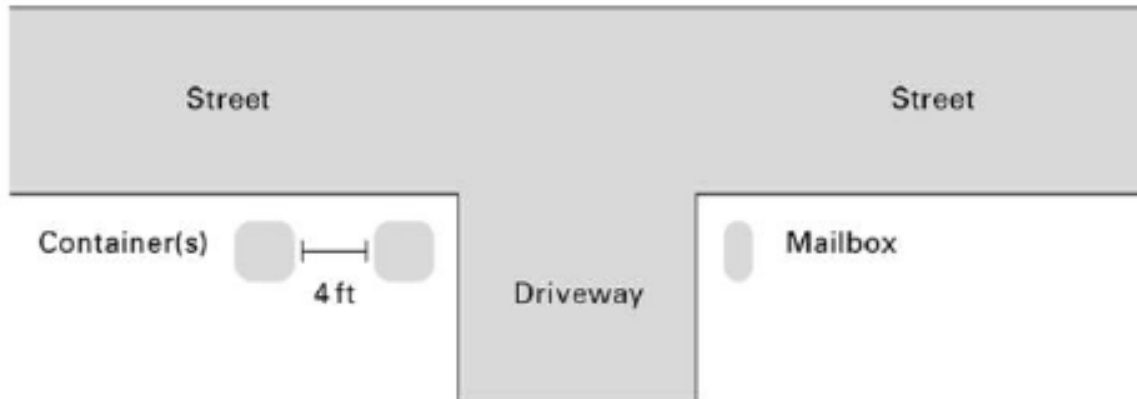

# Reminders & Notes

# Holiday Schedule

- ▶ Unless otherwise noted, service that falls on Thanksgiving Day & Christmas Day will be completed the following day, and service for subsequent days in the same week will also be completed one day later.
- ▶ In the event that a holiday falls on a regularly closed business day, service for that week will continue as normal.
- ▶ **Thanksgiving Day and Christmas Day are the only holidays that could potentially affect our service schedule!**

# Service Schedule & Container Placement

- ▶ The Acadia Community is serviced every Thursday for Trash and Every Other Thursday for Recycling (June 19, July 3, Etc...)
  - ▶ Please place your cans by the road Wednesday night to ensure a successful service.

- Place your trash can and recycling bin **at the curb with the wheels facing your house and the lid opening into the street.**
- Keep your garbage cans **four feet apart and at least four feet or more from any obstacles such as mailboxes, cars, lamp posts, or power lines.**
- **Keep your container at the curb until the end of the day if it hasn't been collected.** Sometimes the timing of our arrival changes, and we don't want to miss you if we come later than expected.
- It's generally best to put your container out **the night before your collection day.** That way even if we're early, you won't miss your pick-up.

# Extra Containers

- ▶ If you would like an additional Trash Can or Recycle Can, you must call in to the GFL Environmental office (864.269.1065) and set up your own personal account with GFL.
  - ▶ Extra Trash Can = \$10/Month
  - ▶ Please confirm that the customer service representative that you are speaking with is in the Piedmont office.
  - ▶ Let them know that you would like to set up your own personal account and receive an extra can.
